August 26 to September 28, 2015

“Jericho”, the central work in the exhibition by John Armleder, contains 88 b/w photographs, a collection of celebrities, many from the movies and music biz, shot while taking photos themselves. Sort of reversed paparazzi situation, or also the guy works in the picture taking pictures too.

As a timely side car of the exhibition the Gallery is showing works on paper by John Armleder from 1969 to 1978.
